2nd Quarter : Monday at 8:40 on the rooftop!

Lifting the
curtain on a
new basketball...

How
strong is the
"Generation
of Miracles"?

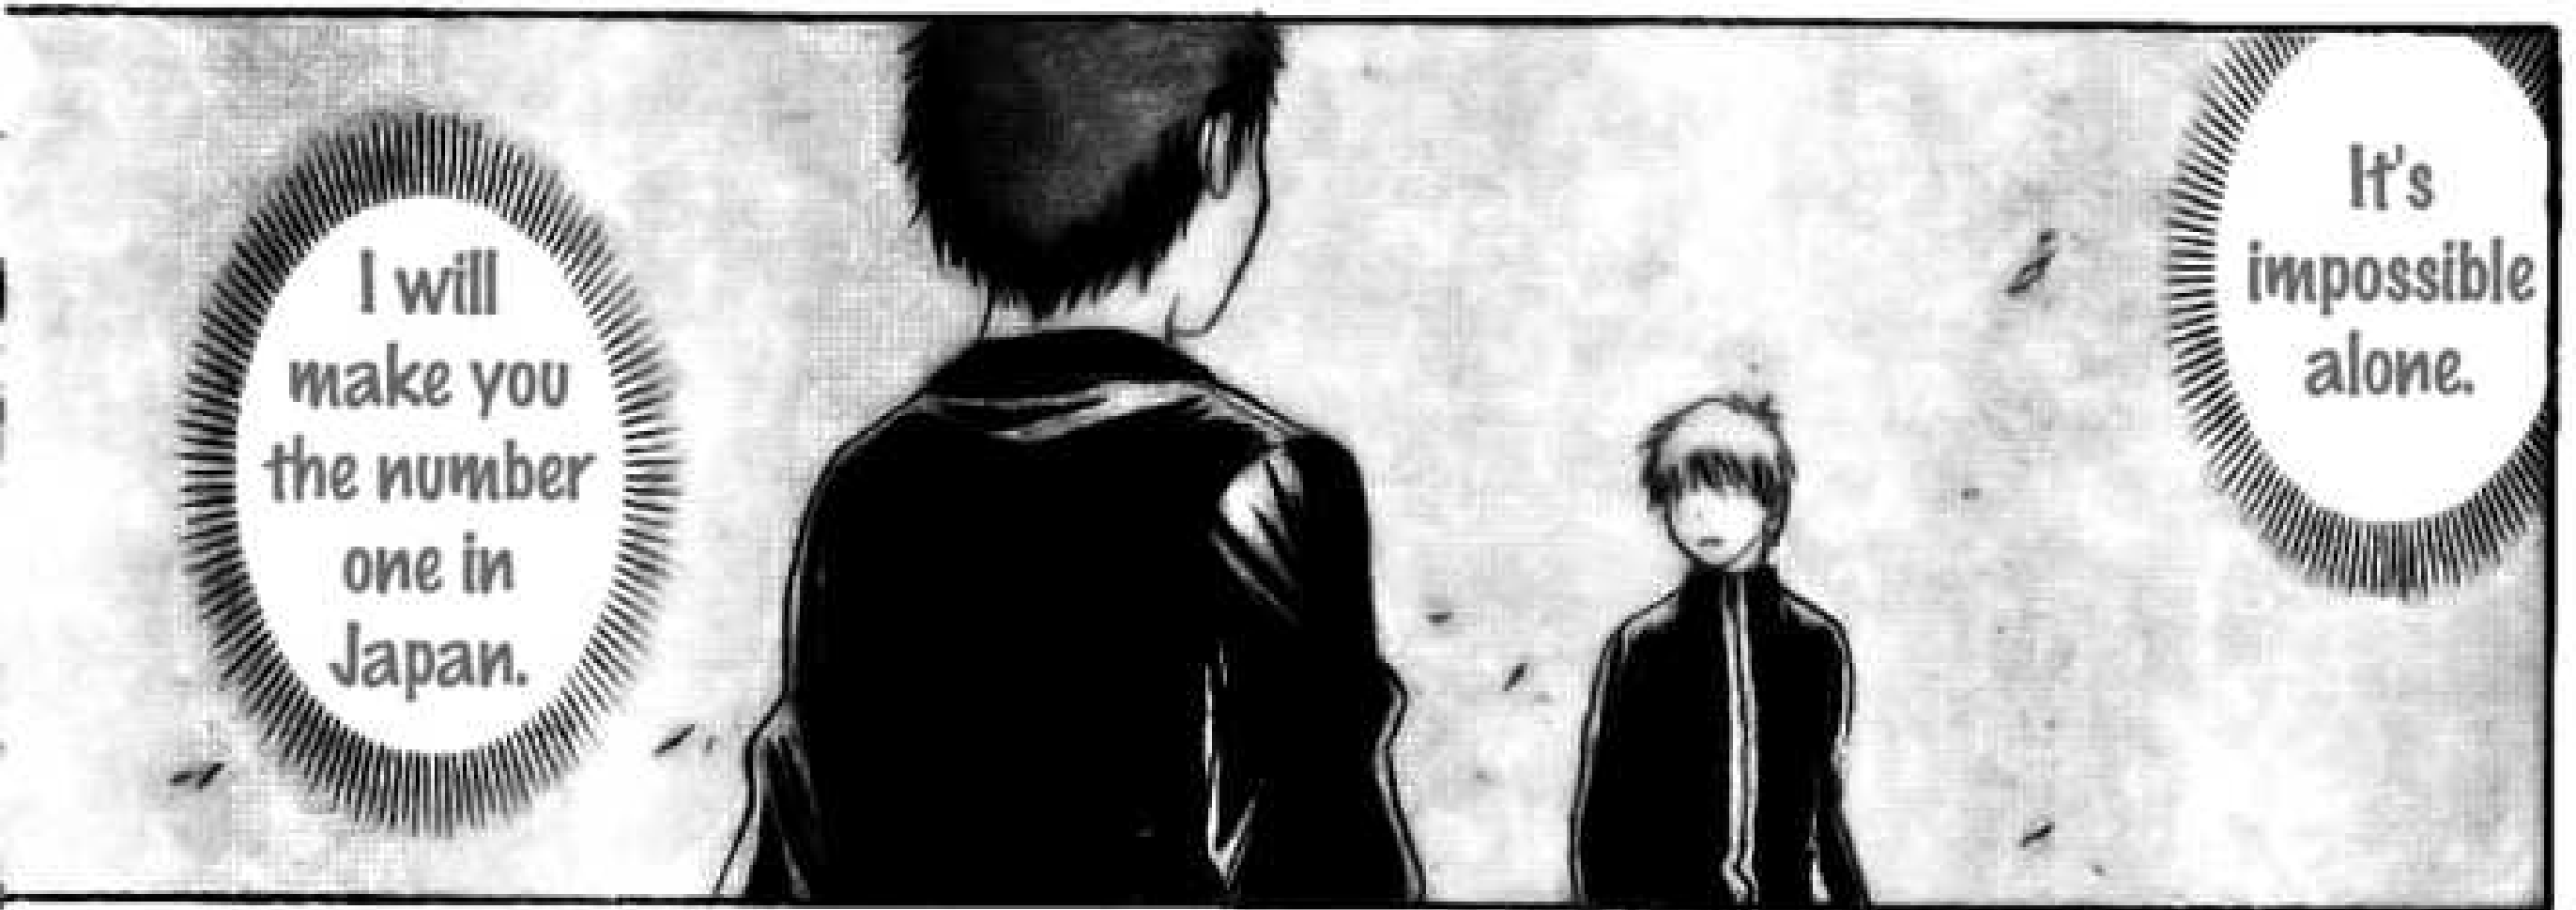

The five
geniuses

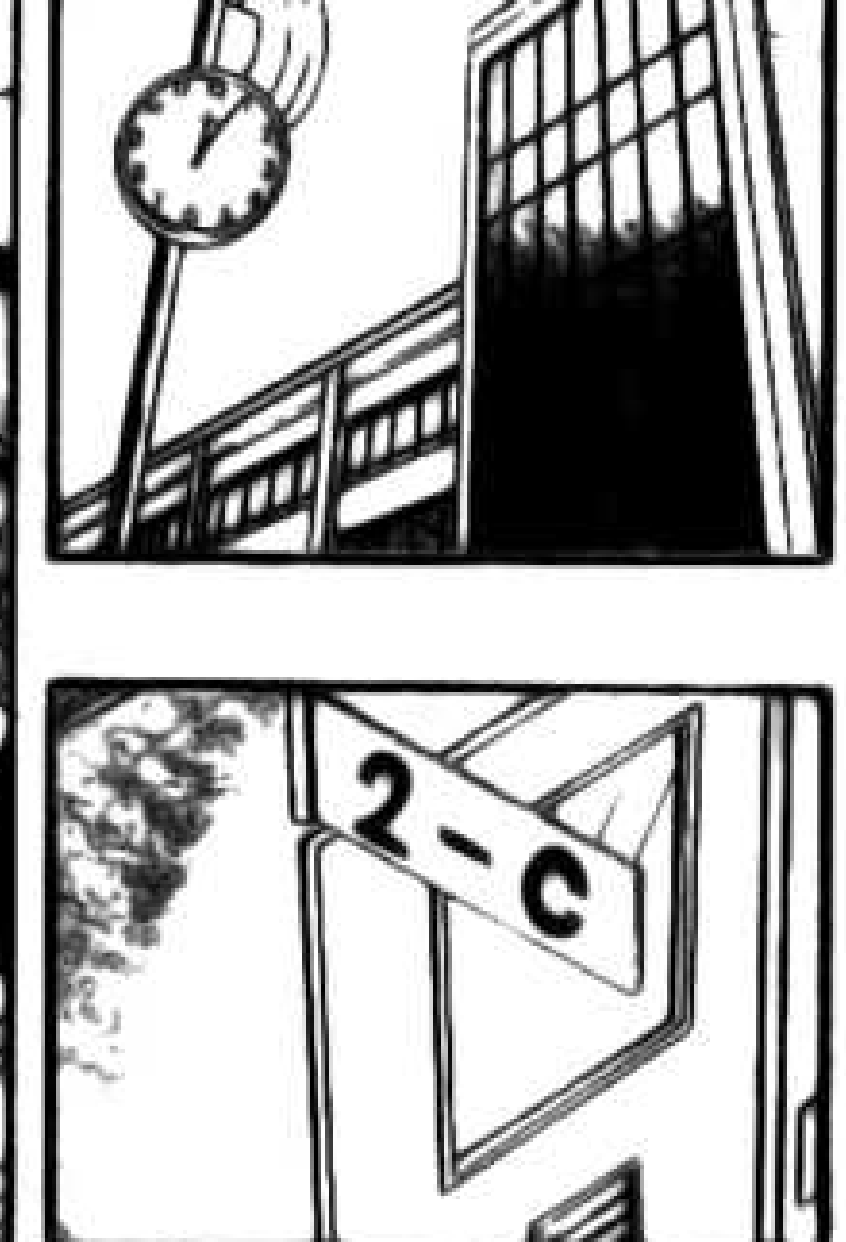

Have
all joined
different
veteran
schools this
year.

There is no
mistaking
that one of
them will be
standing at
the top.

xxx...

X-Note: Seems like a PSP game about basketball management, but I can't read the title so I'm not sure it's an actual game

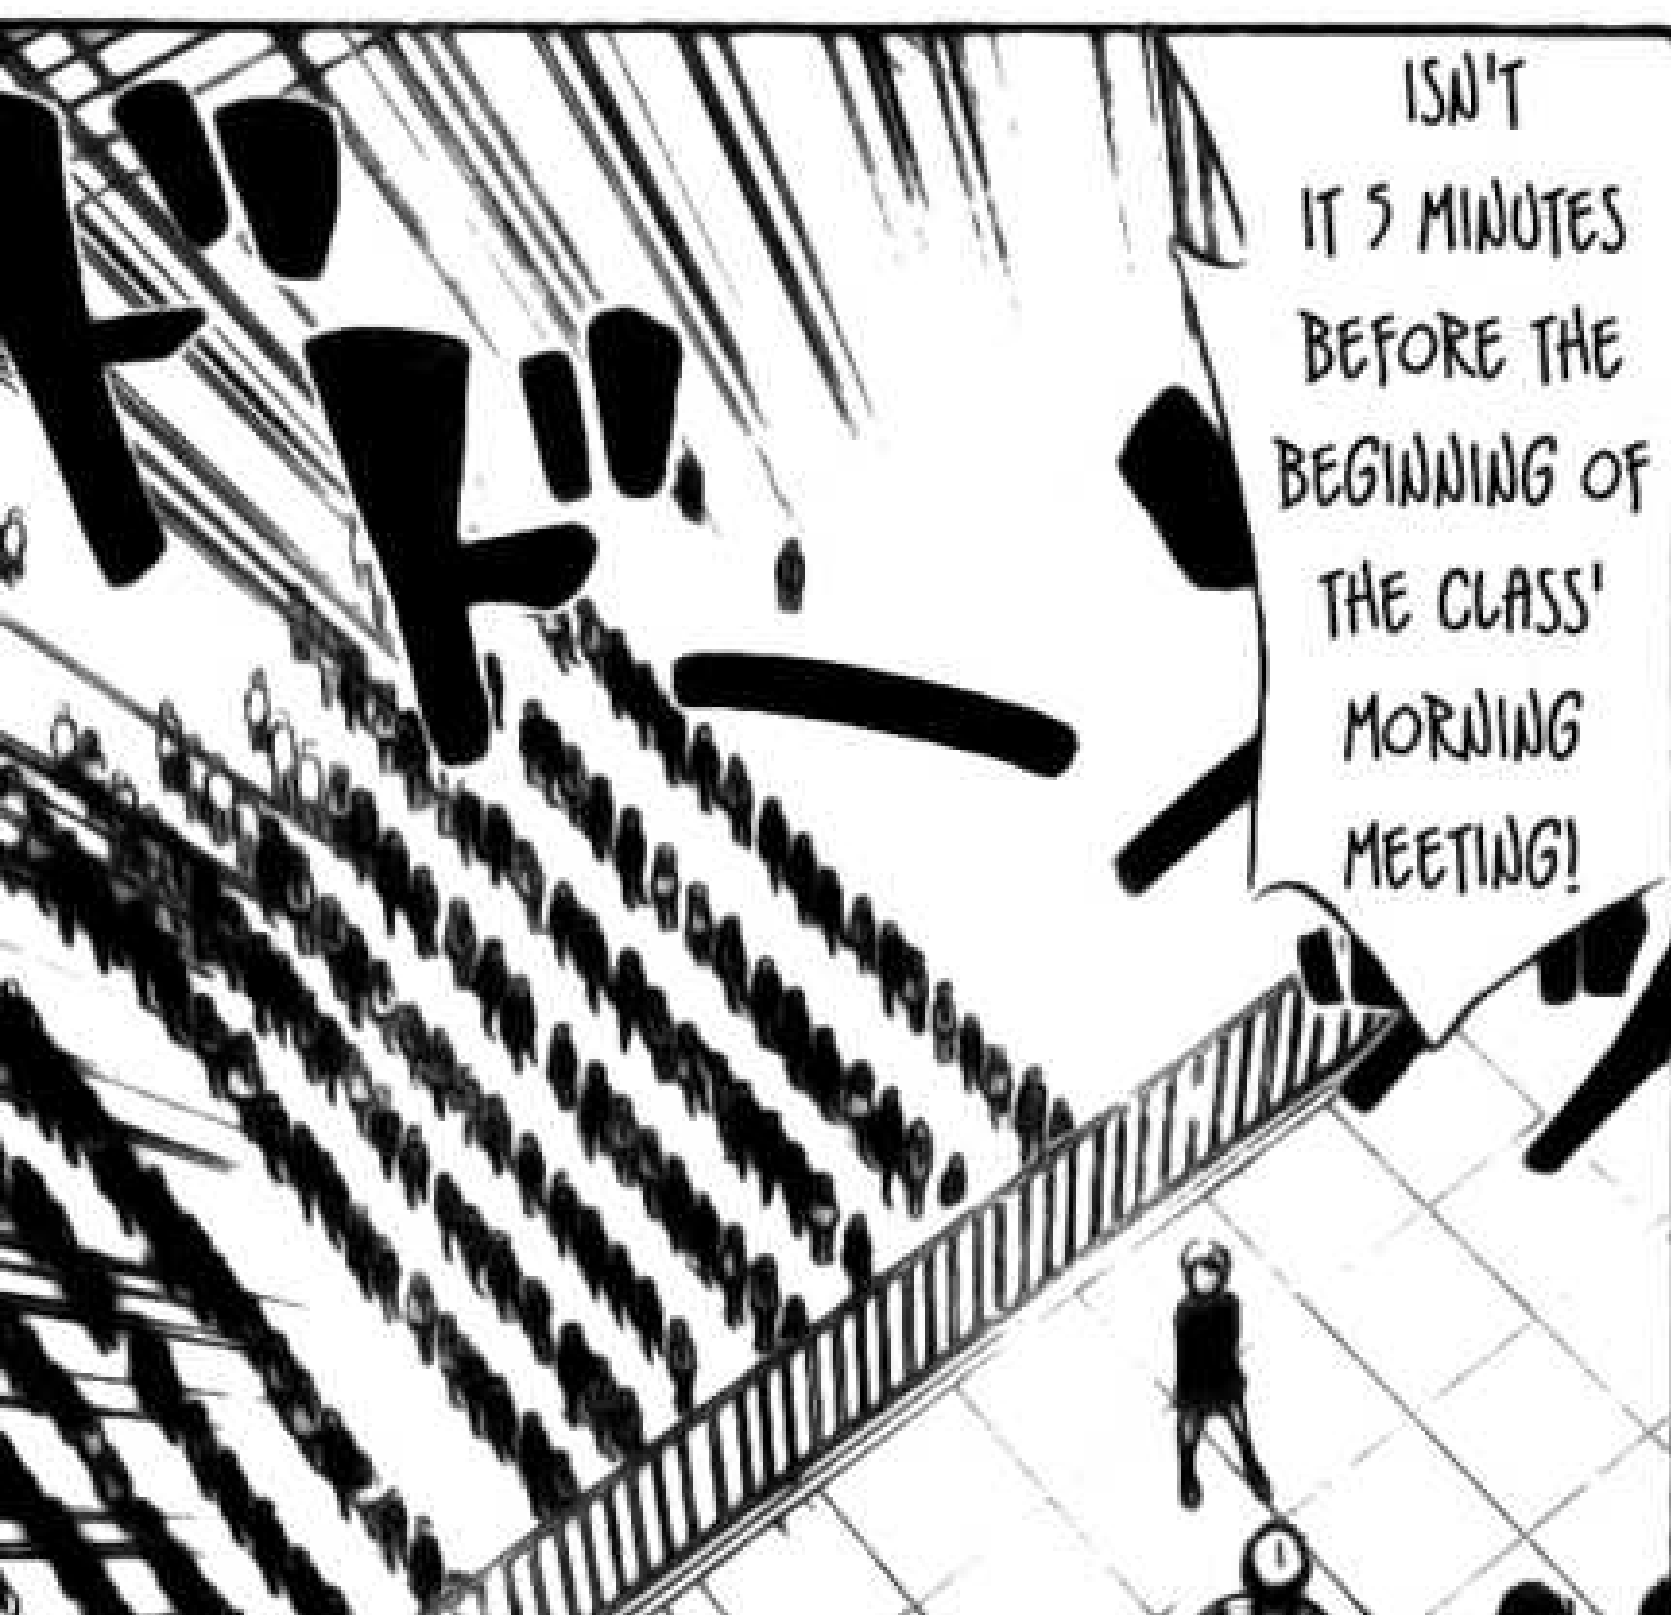

On top of that,
if you can't do
that here, next
time I'll have
you confess to
the girl you
like completely
naked!

You will shout
your class
number! Your
name! And
your goal for
this year!

That's
why
now!

From
here!!

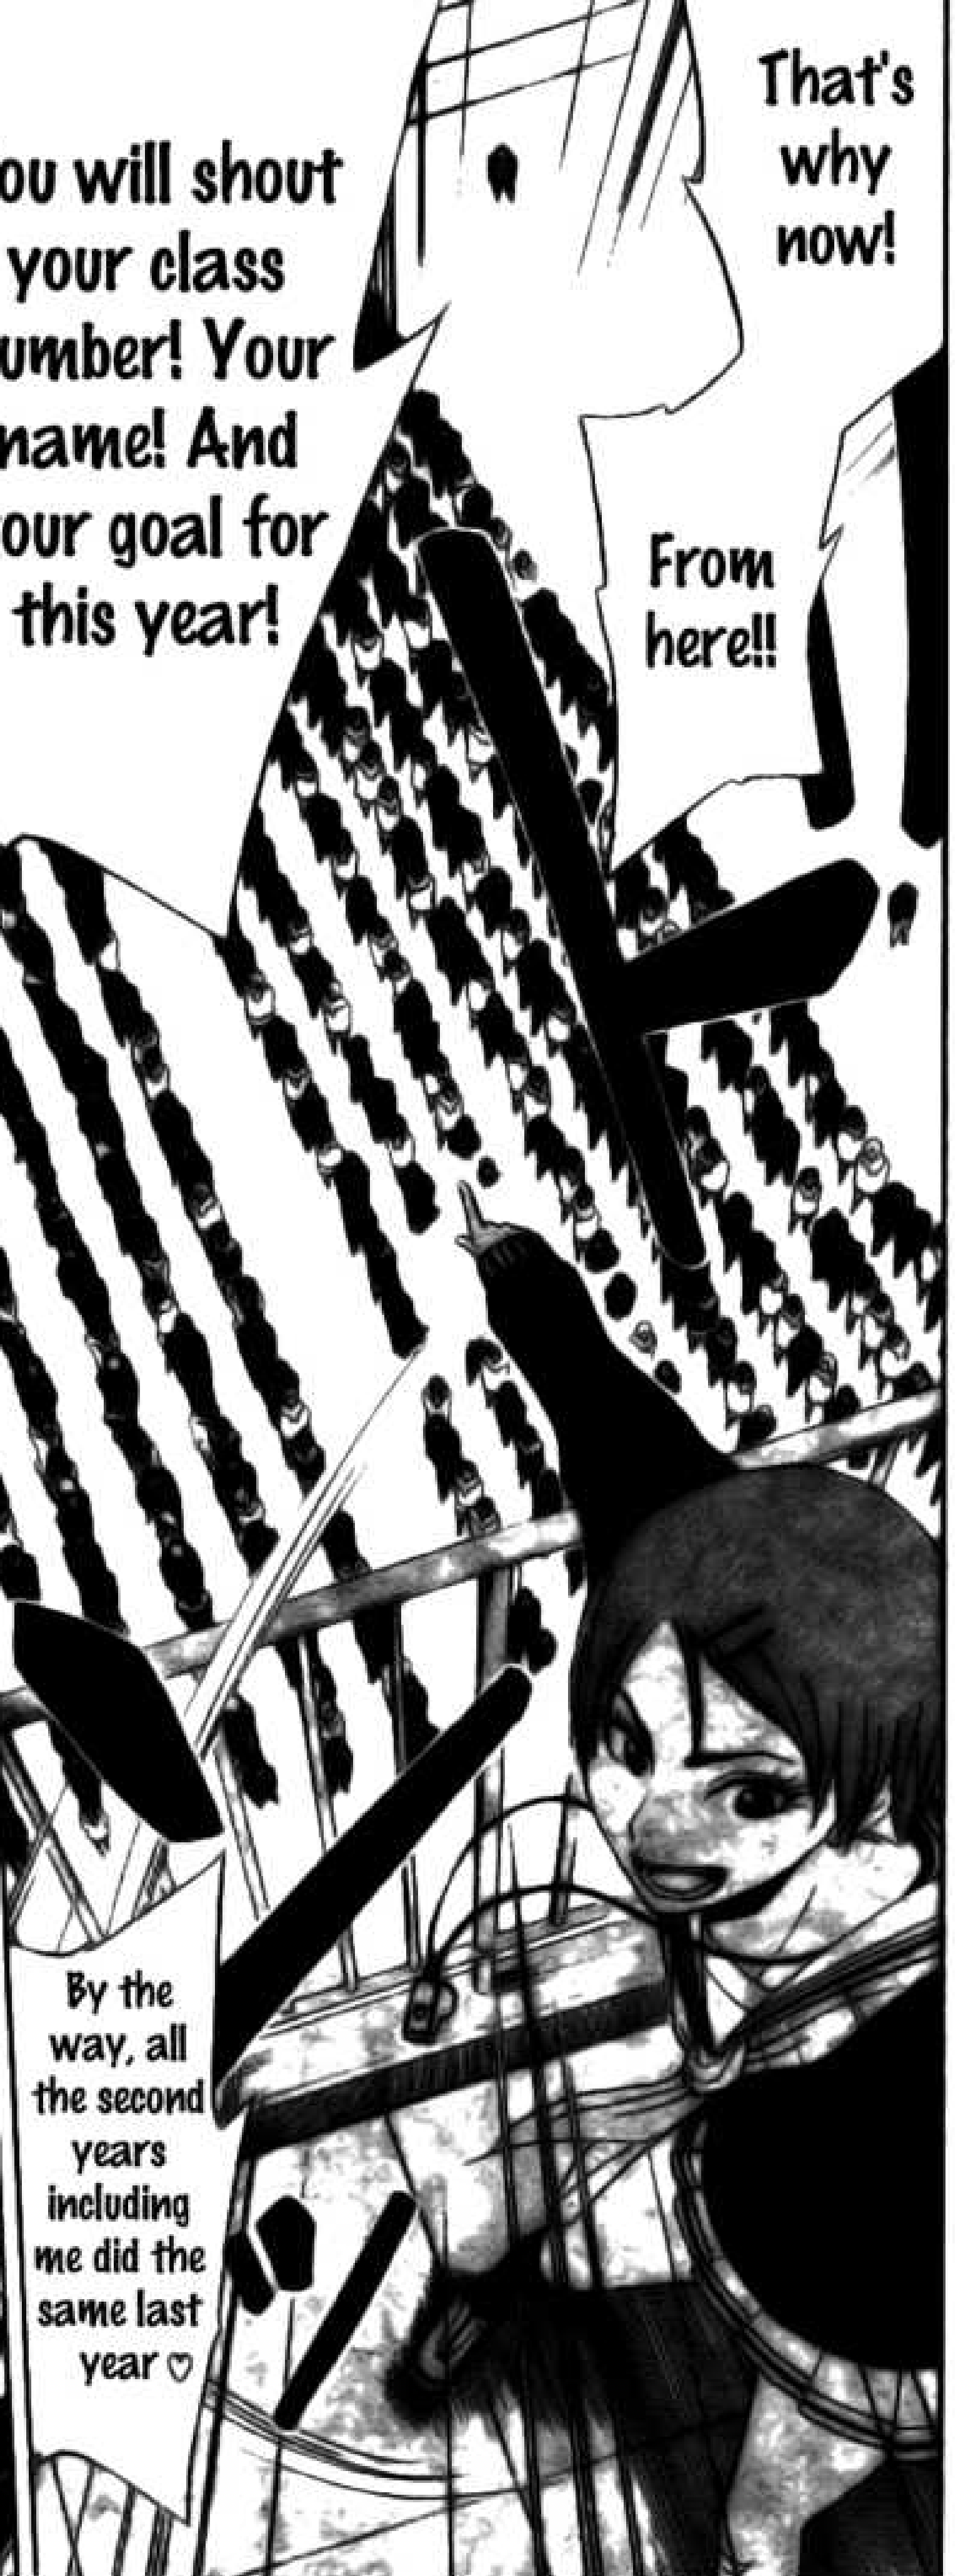

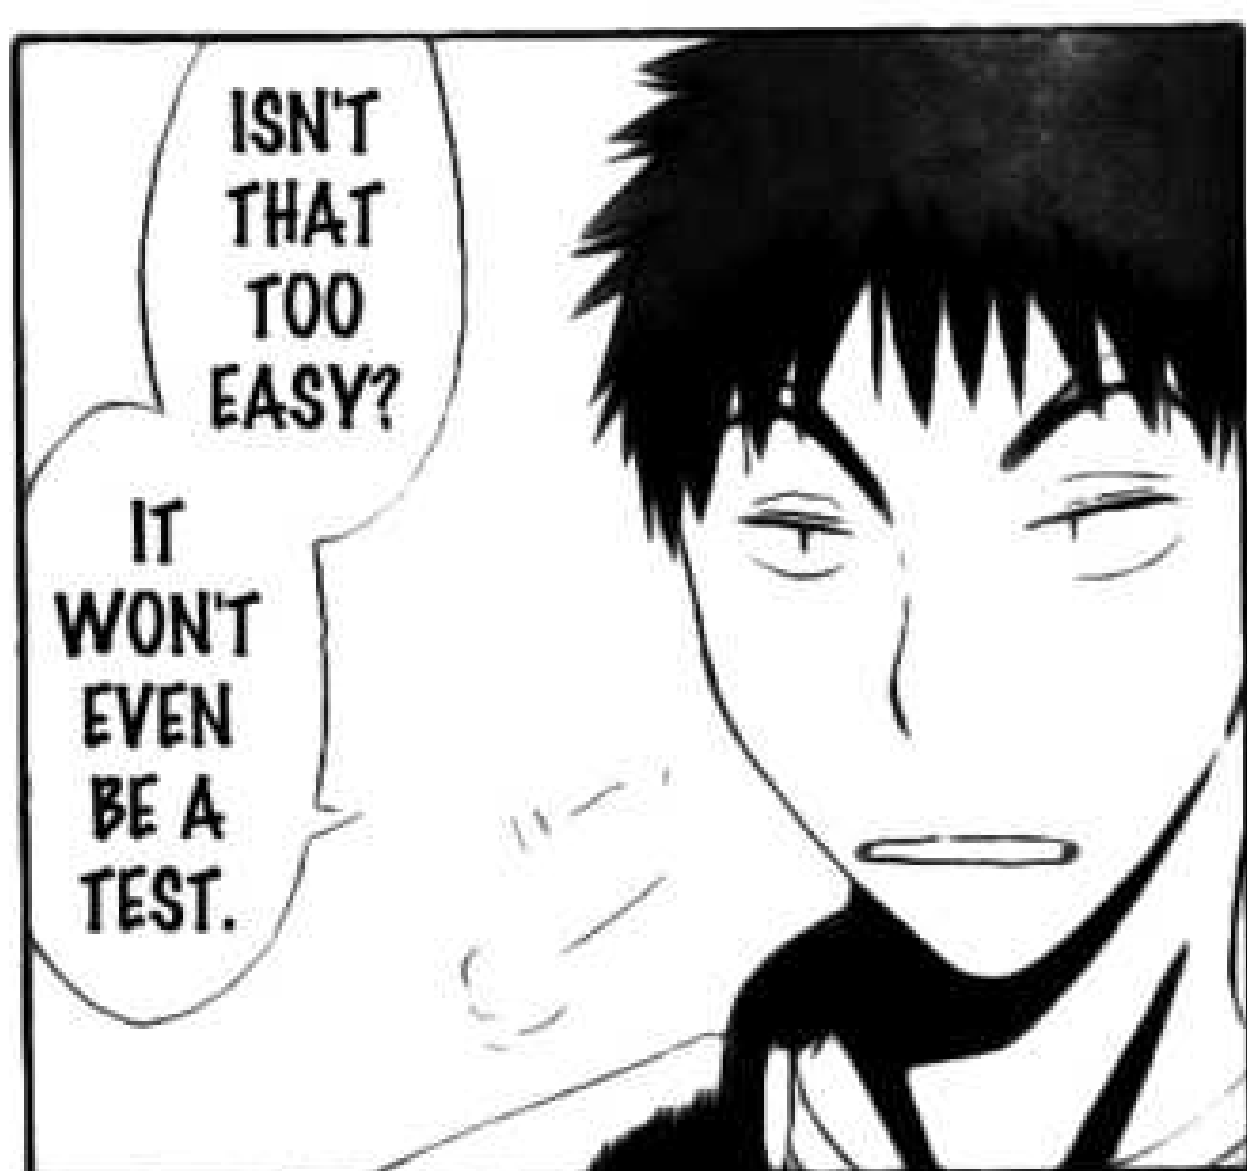

EEH!!

... Ha?

By the
way, all
the second
years
including
me did the
same last
year ♡

**I WILL
DEFEAT THE
“GENERATION
OF MIRACLES”
AND
BECOME
THE
NUMBER
ONE IN
JAPAN!**

**CLASS 1-B,
SEAT 8,
KAGAMI
TAIGA!!**

!!?

... I guess.

Sorry, I'm not very good at shouting.

Is it still alright if I use this?

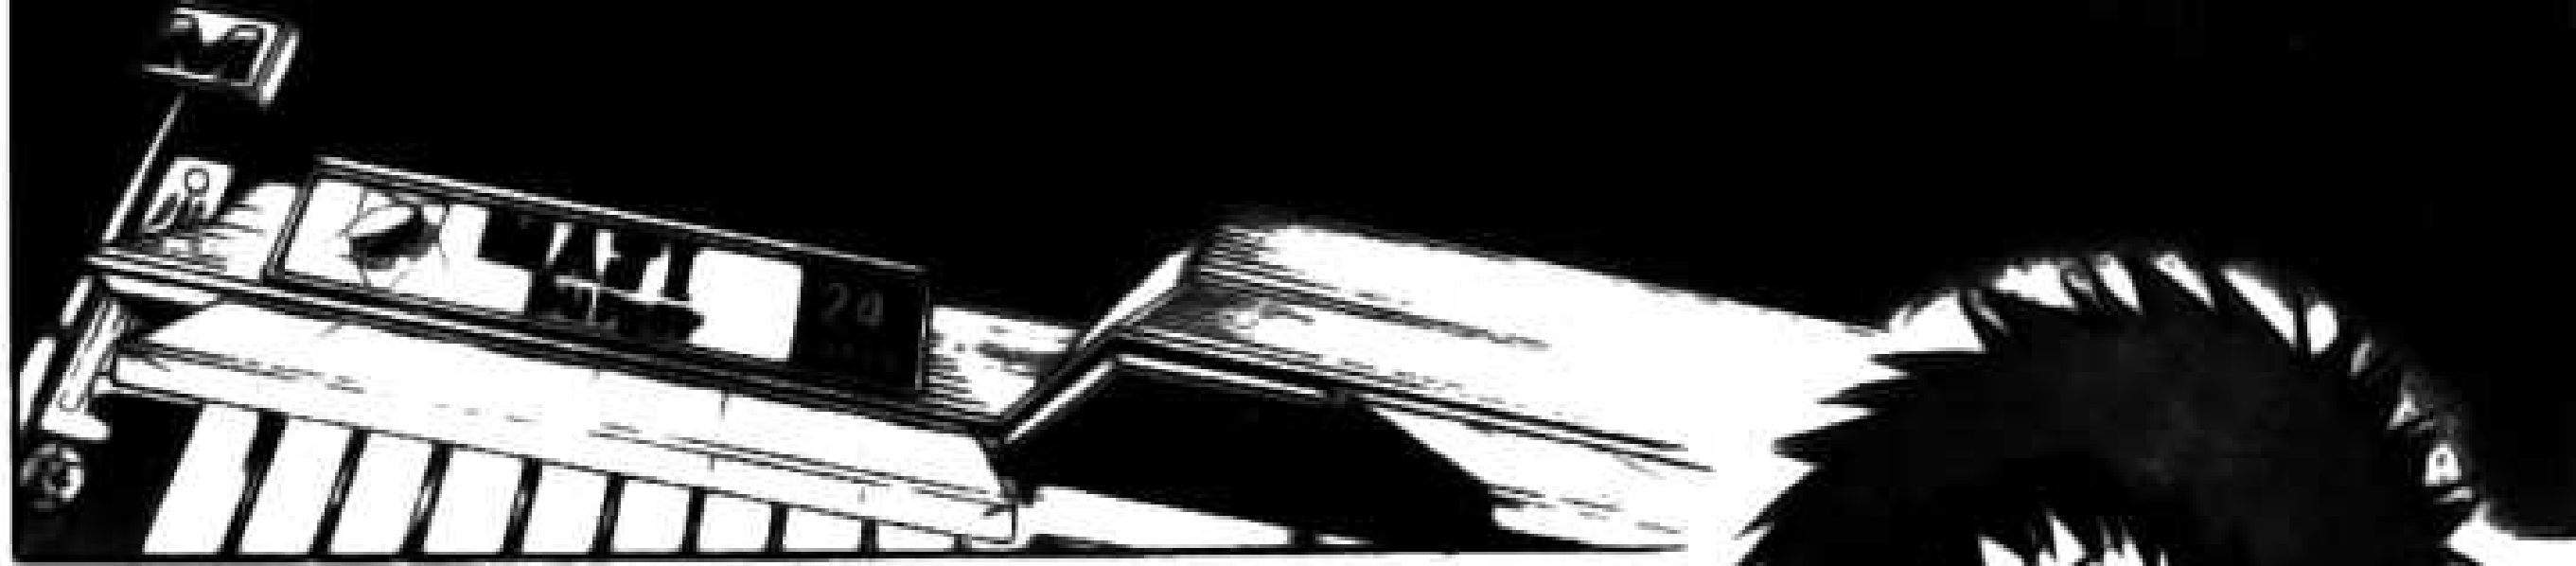

カッパッパ

Ah, they're quick this year!?

THE BASKET-BALL CLUB AGAIN!!

KOR AAH!!

I hadn't done anything yet and I still got scolded...

Do they have to be that angry because I spoke a bit loudly?

And it has become quite a problem.

WE MEET HERE JUST TOO OFTEN...

... Should I change stores?

What will I do if I'm unable to join the club?

It seems that since then, the rooftop is heavily guarded.

There's no way that will happen, you know.

It doesn't seem I will be able to fulfill my part of the promise anytime soon.

That's true... AAH!? WHAT!?

Ha?

THAT
WAS THE
STRONGEST

THE "GENERATION
OF MIRACLES"
WAS JUST
BASKETBALL
BASED ON
OVERWHELMING
INDIVIDUAL
SKILLS

WHAT WAS
NECESSARY
FOR
THAT SAKE
WASN'T
TEAMWORK

I felt
like I was
missing
something
important.

I was
playing
well with
these five
people,
but...

BUT...

YOU
COULDN'T
HAVE
CALLED
THAT A
"TEAM"
ANYMORE.

And
become
the best
in Japan.

I will take
down all the
"Generation
of Miracles"

Rather
that that,
in this
school...

I was
moved by
your and
senpai's
words.

We're
playing
basketball
to aim
for the
nationals!

I used
to think
like that,
but...

Seri-
ously
!?

... So,
what
is it?

It can't be...
that you want
to take down
the "Generation
of Miracles"
with your
basketball
skills?

The fun starts from now on

Right!

Paper: New member registration
-Kuroko Tetsuya

By the way, since the remaining members were of course forbidden from shouting from the rooftop,

They had to do this during their club activity time, and their numbers went down from 15 people to 6.

Oops...

It was thought to be one of those mysterious unexplained circles and became one of Seirin high's seven mysteries.

And since he forgot to sign the message in the schoolyard with his name

I WILL MAKE
YOU THE
NUMBER ONE IN
JAPAN

What's with all the fuss?

...
Ha!

Another sports manga, well I really enjoy this one. This chapter specifically, made me laugh a decent amount. (lol...if not for that, then I would've released much earlier XD)
